Facilities to the R.A. & L.C. Members.

Requests have been made from several members of the Representative Assembly and the Legislative Council for the supply of various publications by Government such as Civil lists, season and crop reports, catalogue of books available with the Government, copies of Administration reports of all departments with Government reviews thereon, copies of the Mysore Gazette etc., copies of Bills which Government wish to introduce at the ensuing meeting of the Legislative Council, and I have also been asked by a member of the Representative Assembly if he may address his letters 'service unpaid'.

At present R.A. members get ~~boards~~ ^{at half rates} copies of the Mysore Gazette and the proceedings of the Representative Assembly. They are not permitted to send communications to the Government ~~at service unpaid~~ 'service unpaid'.

Members of the Legislative Council are supplied with copies of the Gazette, proceedings of the Legislative Council, copies of the administration reports and survey and settlement reports. They are also permitted to send communications 'service unpaid'.

It seems to be desirable to remove the difference that exists now between the R.A. and ^{the} L.C. ^{member}. Practically the same questions go before both ^{and reference} bodies and the sources of information available to them should also be the same.

Ref. files have not been placed in his file as they are rather bulky & are not particularly useful. R2 6/5
